About Us

New Horizon Gurukul Pre School (Est. in 2012) is designed to meet and fulfill the needs of young children in the kindergarten age group and is one of the premier schools in the city. We provide a holistic environment with a curriculum that resonates with Indian culture for our children and also makes them self-sufficient and well equipped for the next step in their education.

Mission

To enable our children to become self-reliant and well-equipped for the next step in their education.

Motto

A step further in learning a step closer to success.

Vision

To develop each child as an individual with enriching values based on the philosophy of the Bhagavad Gita.

Hari Om

A step further in learning, a step closer to success. This is our motto and we wish to welcome you and your child on this wonderful journey of learning and education at New Horizon Gurukul Pre School. We hope that your child discovers that learning can be an enjoyable and enriching process.

Principal's Message

Hari Om!

Being the Principal of New Horizon Gurukul Pre School is indeed a privilege and it is a campus that provides a secure, stimulating and supportive environment for children, where learning takes place and creative expression is encouraged. It is also a campus that is dedicated entirely to the education of kindergarten children.

Our aim is to strengthen self confidence, to develop all happy and positive learning attitude, to form good habits of health and safety and to inspire creativity and individuality by learning through play. We develop a natural curiosity in students by exploring and discovering through structured play and provide them with a strong. Foundation of essential knowledge, skills and intellectual capabilities and to make them ready to face the future.

I am sure that you and your child will make the best of their formative years that they are with New Horizon Gurukul Pre School.

Mrs. Thushara Nair
Principal

Education Has Evolved

Inspire, To Change The World

At New Horizon Gurukul Pre School we believe education has the power to inspire, giving your child the opportunity to excel and the ability to dream big.

Dream Big. Think Big. Do Big.

Since inception, our motto "In pursuit of excellence" has propelled us to explore new paradigms of learning and hence, we have amalgamated the greatest virtues of traditional learning with our education system.

Excel, To Leave A Mark

In the fast-paced and constantly evolving world of today, a new wave of thinkers, doers & achievers hold the promise of a better tomorrow. This is the very reason our learning systems are unique, creating opportunities to unlock the potential of excellence in every individual and in every possible way.

Our Core Belief

Each child is an individual who is strong and capable with potential, curiosity and interest in expanding their learning and to explore the different facets of education.

All domains of development and learning that are physical, social, emotional and cognitive are related and proceed towards greater complexity and self sufficiency.

Children, teachers and parents are considered as an integral part of the education process wherein there is an intellectual development through a systematic focus on symbolic representation.

To inculcate a positive attitude towards self and peers and support the children's abilities to express themselves in a variety of creative ways.

To provide a safe and positive environment in which children feel happy and secure.

Features

Learning to become world citizens

One of the key success factors in this world of constant and rapid change is creativity. **New Horizon Gurukul Pre School** feels it is very important to provide the child with a rich and stimulating learning environment that encourages imagination and challenges the child to think in different and creative ways. Language skills are developed with the help of activities like storytelling, conversation, Informal talks, dramatics, puppet play, auditory and visual games. Subjects like E.V.S. (Environmental Science) and Mathematics are introduced through innovative and creative methods. Above all, the school concentrates on building the self-esteem of the child through unconditional love and positive encouragement.

At the same time, a strong set of values that is rooted in our culture are imbibed. The school firmly believes that educational empowerment begins right from day one.

Teaching Methodologies

An amalgamation of the Montessori and the play-way method.

The development of rich spoken vocabulary and communicative skills.

Development of cognitive and social skills.

The development of sensory perception through the use of learning materials.

Value Based Education

Celebration of various festivals

Infrastructure

Learning Studios

Large, spacious, Theme based(stories from the puranas)naturally ventilated, well lit and colourful Learning Studios with child friendly colourful furniture.

Smart TV

Play based learning Studios with attached play areas.

Dance Studio

Children can express themselves through different styles of dance and learn to move in a disciplined and rhythmic manner.

Music Studio

At New Horizon Gurukul Pre School, music in the form of songs, shloka chanting and bhajans are a part of life for our children from a very early age as it helps in the development of language, rhythm and auditory memory.

Amphi-theater

A beautifully designed open air theatre where our little ones display their hidden talents in a variety of shows.

CCA room

A spacious room that inspires our little performers to compete in various co-curricular activities

Play areas

We have numerous play and activity areas that are spacious and child centric where focus is placed on their physical development as well as their inter-personal skill development. These areas have rubberised or astro-turf floors to ensure the safety of our children. All our play areas are attached to individual learning studios.

The Aquatic wonderland

Our outdoor aqua ponds are a beautiful and enchanting space housing a variety of exotic and fascinating fishes, snails and turtles. The ponds also feature numerous novel waterspouts. Children can enjoy this aquatic wonderland and also learn a lot about marine life.

Creative Learning

We believe in creative and innovative learning through visual aids and creative activities like drama, art and craft, music, dance which builds confidence, helps express emotions, thoughts and ideas in verbal and non verbal ways and improves social skills.

Our Academic Program

Infusion Of World Renowned Montessori Method At New Horizon Gurukul Pre School we use a balanced combination of the Play way method and the Montessori method that provides a carefully planned learning environment that encourages the child to develop unique abilities.

New Horizon गुरुकुल

About Us

New Horizon Gurukul (NHG), as the name suggests, blends the heritage of the ancient Gurukul tradition and modern methods to learning, eco-friendly in a unique system that has been made popular by the school. Learning takes place in an eco friendly environment reminiscing the Gurukula of a time gone by, This unique Gurukul concept is skilfully facilitated by the guru (teacher) to empower the Shishya's (student) experiential learning. The objective of this approach is to develop the holistic personality of the student, making him/her a better, happier and healthier individual.

Curriculum

Science Park

A newly inducted science park which showcases play equipments based on scientific principles is the latest addition to our infrastructure.

Digitilized Classrooms

Integrating technology into the classroom is a great way to diversify learning styles for classes. Classrooms are characterised by highly interactive sessions. SMART classrooms are equipped with Intelligent Interactive Panels (IIPs) that enhance the learning experience for students. The IIP offers various features such as multi-touch, speech recognition and educational software, enabling interactive and engaging sessions. The content, enriched by teachers using interactive teaching pedagogy, further supports students' understanding of concepts and encourages their curiosity and exploration. Ultimately, these advances promote a more diverse and interactive learning environment in the classroom.

Atal Tinkering Lab

The Atal Innovation Mission (AIM) is a flagship initiative set up by the NITI Aayog to promote innovation and entrepreneurship across the length and breadth of the country. In connection with this, Atal Tinkering Lab (ATL) is setup in New Horizon Gurukul. ATL promotes creative, innovative mind set in students. These labs are dedicated innovation work spaces where do-it-yourself (DIY) kits on latest technologies like 3D Printers, Robotics, Internet of Things (IoT), miniaturized electronics are installed, so that students from Grade VI to Grade XII can tinker with these technologies and learn to create innovative solutions.

Indoor Badminton Courts

Three well equipped indoor badminton courts have been made available to students and they are coached under strict guidance of well qualified coaches. Many of our students have started to excel at District, state and national levels in the badminton and other sports as well.

Volley Ball and Throwball Court

The school has provision of a Volley ball and a Throw ball court with experienced coaches and many victories to our credit.

Basket Ball And Foot Ball Courts

The school has two basketball court and a football courts of International dimensions and synthetic turf. Our Coaches are specialized to undertake coaching and our students have been excelling in the sport by winning accolades, not only in the city but even at the State level.
