PLAY GROUP AT NHGPS

The first day of playgroup is an ecstatic milestone for both children and parents. It's a day filled with anticipation, new experiences, and the beginning of a journey into education. Here are some exciting moments of the first day of play Group at New Horizon Gurukul pre-school. On 5th June 2024, our tiny tots received a warm, traditional Indian welcome. Teachers created a warm and welcoming environment, students explored play area, met Rocky the turtle and fish and enjoyed rhyme time with children.

STRANGER DANGER DAY

A child's heart is free from any burdens. This is important to make safety a part of our children's everyday life. Teaching kids about **stranger danger** is crucial for their safety. Keeping our children's safety in mind, on **19th June 2024** our New Horizon Gurukul Pre-school teachers took a step ahead and executed a beautiful role play activity Infront of our tiny tots. Our children enjoyed and understood the situation demonstrated in front of them and learnt they must be very alert while they are not around with their near and dear ones. the goal is to empower your child without instilling fear. By providing age-appropriate guidance, we can help our children stay safe while maintaining their confidence and curiosity in the world around them.

INTERNATIONAL YOGA DAY

Our New Horizon Gurukul preschool children embraced the spirit of International Yoga Day with great enthusiasm and joy. On **June 21st**, our young yogis participated in a series of fun and engaging yoga activities designed especially for their age group. The session began with simple breathing exercises and warm-ups, followed by playful yet effective yoga poses like the tree pose, butterfly pose, and the cat-cow stretch.

Under the guidance of our dedicated teachers, the children learned about the importance of yoga in maintaining a healthy mind and body. The event was a wonderful opportunity for our little ones to develop their flexibility, balance, and concentration while having fun. We are proud of their participation and look forward to incorporating more such wellness activities in our curriculum. Let's continue to encourage our children to practice yoga regularly for a happy and healthy life!

CCA DANCE: LKG AND UKG

Dance offers a fantastic platform for young dancers to showcase their talent and grow as performers.

CCA Dance conducted on 24th June for UKG and 25th June for LKG was a delightful and enriching experience, dancers set the floor on fire with their energetic performances and this was a reflection of their passion and hard work.

The choreography, rhythm and presentation of all the students were very good. A delightful blend of physical, mental, and emotional benefits for pre-schoolers.

WORLD ENVIRONMENT DAY

WORLD ENVIRONMENT DAY

On June 5th, New Horizon Gurukul Preschool Celebrated World Environment Day with an inspiring event where our young learners equipped with small gardening tools planted saplings and saw seeds. Guided by our dedicated teachers, the children learned about the importance of caring for the environment and the role plants play in maintaining a healthy ecosystem.

This activity not only taught them the basics of gardening but also instilled a sense of responsibility and connection to nature. We are incredibly proud of our young environmentalists for their enthusiasm and participation. This celebration was a wonderful opportunity for them to connect with nature and understand the significance of protecting our planet. Let's continue to encourage our children to practice sustainable habits and foster a lifelong love for the environment.
