Some sang patriotic songs, some participated in Dance, and a few delivered speeches, the ramp walk becomes a vibrant display of India's cultural tapestry. The feeling of pride and patriotism resonated in everyone's heart, and the day concluded with art and craft by children. Independence Day serves as a reminder of our rich heritage and the sacrifices made by our ancestors. Let us continue to cherish and uphold the values of freedom, unity, and love for our country.

Ek Ped Maa Ke Nam Campaign

On World Environment Day, our honorable Prime Minister Narendra Modi launched the 'Ek Ped Maa Ke Naam' campaign. This Plantation Drive encouraged children to honor their mothers by planting a tree and creating a special placard with their mother's name. Each child placed the placard near the tree, symbolizing their love and gratitude. The initiative beautifully celebrated motherhood while fostering environmental sustainability and awareness, highlighting the vital connection between nurturing nature and honoring the selfless role of mothers.
