Parents Teachers Meet

Parent-teacher meetings are regular gatherings between parents and teachers to discuss a child's progress, behavior, and overall well-being in school. These meetings provide an opportunity for parents and teachers to share information, ask questions, and work together to support the child's education.

CCA - Fancy Dress, Drawing & Coloring

Incorporating Fancy dress, Drawing & Colouring as a CCA for Nursery, LKG, and UKG students offers a holistic approach to their development. It nurtures physical, emotional, cognitive, and social growth, creating a well-rounded foundation for their future education journey.

The kindergarten fancy dress event was delightful and imaginative celebration where our young children got opportunity to dress up as their favorite heroes, seasons, mythological characters, 7 wonders of the world, the Universe, favourite food, letters, or numbers.

The theme for our young competitors for drawing and coloring was 'Jungle' where few of these elements are needed to be portrayed such as animals, tree, water bodies, nest fruits etc. Drawing and coloring jungle scene was fun and educational activity for children. It helped them to learn about different animals and plants, enhanced their fine motor skills, and fosters their creativity. It also provided an opportunity to explore the vibrant and diverse ecosystem of a jungle, while also helped them to develop their artistic skills.
