An Overview Of New Horizon Educational Institution

New Horizon Educational Institutions (NHEI) is a group of premier institutions set up in the year 1970. NHEI has an impressive history of providing innovative education, with a vision and mission to impart holistic education to all its students. Strategically situated in the prestigious IT capital of India, Bengaluru, NHEI has grown rapidly over the past few decades.

We, at New Horizon, are constant in our pursuit of excellence, and impart the kind of education that will make our country proud. The name 'New Horizon' is synonymous with extraordinary performance, dedicated commitment towards teaching and training, unrelenting honing of skills, nurturing of talent, character building, and the development of a holistic personality.

Inspired by NHEI's motto "In Pursuit of Excellence" and motivated by invaluable core values that make a complete human being, New Horizon aims to offer everything that students would need to succeed not just in their professional life but also in their personal life.

About Us

New Horizon Gurukul Pre School, Est. in 2012 is designed to meet and fulfill the needs of young children in the kindergarten age group and is one of the most premier schools in the city. We provide a holistic environment with a curriculum rooted in tradition that resonates with Indian culture for our children which makes them self-sufficient and well equipped for the next step in their education.

Mission

To enable our children to become self reliant and well equipped for the next step in their education.

Motto

A step further in learning, a step closer to success.

Vision

To develop each child as an Individual with enriching values, based on the philosophy of Bhagavad Gita.

Hari Om

A step further in learning, a step closer to success. This is our motto and we wish to welcome you and your child on this wonderful journey of learning and education at New Horizon Gurukul Pre School. We hope that your child discovers that learning can be an enjoyable and an enriching process.

Principal's Message

Hari Om!

Welcome to New Horizon Gurukul Pre School, where our commitment to excellence and nurturing each child's potential is at the heart of everything we do. As the principal, it is both an honor and a privilege to lead such a dedicated community of educators, students, and families. Ours is also a campus that is dedicated entirely to the education of kindergarten children.

Our aim is to strengthen self-confidence, to develop happy and positive learning attitude, to form good habits of health and safety and to inspire creativity and individuality by learning through play and to build leaders and trailblazers. We develop a natural curiosity in students by exploring and discovering through structured play and provide them with a strong foundation of essential knowledge, skills and intellectual capabilities and to make them ready to face the future.

Thank you for entrusting us with your child's education. Together, we can make this journey a rewarding and successful experience for your child. We look forward to partnering with you in their academic and personal growth at New Horizon Gurukul Pre School.

Mrs. Thushara Nair
Principal

Education Has Evolved

Inspire, to Change the World

At New Horizon Gurukul Pre School, we believe education has the power to inspire, giving your child the opportunity to excel and the ability to dream big.

Dream Big. Think Big. Do Big.

Since inception, our motto "In pursuit of excellence" has propelled us to explore new paradigms of learning and hence, we have amalgamated the greatest virtues of traditional learning with our education system.

Excel, To Leave a Mark

In the fast-paced and constantly evolving world of today, a new wave of thinkers, doers & achievers hold the promise of a better tomorrow. This is the very reason our learning systems are unique, creating opportunities to unlock the potential of excellence in every individual and in every possible way.

Our Core Belief

Each child is an individual who is strong and capable with potential, curiosity and interest in expanding their learning and to explore the different facets of education.

All domains of development and learning that are physical, social, emotional and cognitive are related and proceed towards greater complexity and self sufficiency.

Children, teachers and parents are considered as an integral part of the education process wherein there is an intellectual development through a systematic focus on symbolic representation.

To inculcate a positive attitude towards self and peers and support the children's abilities to express themselves in a variety of creative ways.

To provide a safe and positive environment in which children feel happy and secure.

Learning to Become World Citizens

One of the key factors of success in this world of constant and rapid change is creativity. **New Horizon Gurukul Pre School** believes it is very important to provide the child with a rich and stimulating learning environment that encourages imagination and challenges the child to think in different and creative ways. Language skills are developed with the help of activities like storytelling, conversation, informal talks, dramatics, puppet play, auditory and visual games. Subjects like E.V.S. (Environmental Science) and Mathematics are introduced through innovative and creative methods. Above all, the school concentrates on building the self-esteem of the child through unconditional love and positive encouragement.

At the same time, a strong set of values that is rooted in our culture are imbibed. The school firmly believes that educational empowerment begins right from day one.

Teaching Methodologies

An Amalgamation of the Montessori and the play-way method

Learner - Centred - Teaching Style

Education through exploration, discovery and experimentation

Hands-on Learning and Sensory-based experience

Learning through structured and unstructured activities

Value-based education and celebration of various festivals

Infrastructure

Learning Studios

Large, Spacious, and Theme-based (stories from the puranas) Naturally Ventilated, Well-lit and Colourful, Outdoor Play Integrated Learning Studios with Child Friendly Colourful Furniture.

Smart TV

Digitally enhanced classrooms for an invigorating and immersive teaching experience

Dance Studio

Children can express themselves through different styles of dance and learn to move in a disciplined and rhythmic manner.

Music Studio

At New Horizon Gurukul Pre School, music in the form of songs, shloka chanting and bhajans are a part of life for our children from a very early age as it helps in the development of language, rhythm and auditory memory.

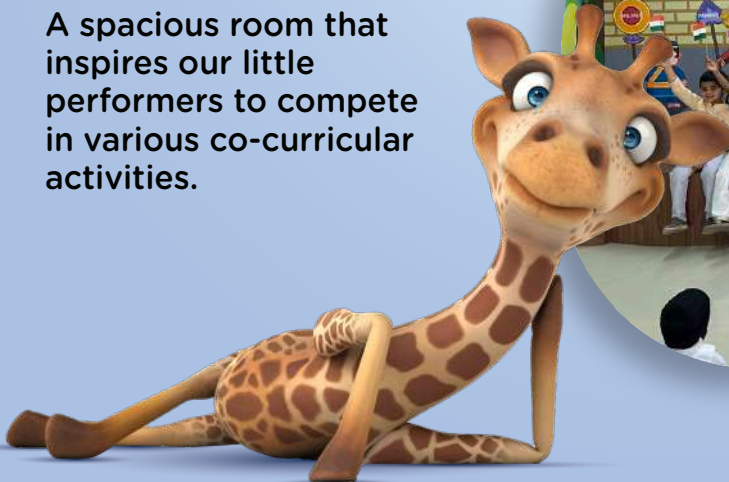

Amphi-theater

A beautifully designed open air theatre where our little ones display their hidden talents in a variety of shows.

CCA room

A spacious room that inspires our little performers to compete in various co-curricular activities.

Play areas

We have numerous play and activity areas that are spacious and child centric, where focus is on their physical development as well as their inter-personal skill development. These areas are rubberised or astro-turf floors to ensure the safety of our children. All our play areas are attached to individual learning studios.

Adventure Playground

Play Park

Climbing Frame

Soft Play

Jungle Gym

Sand Box

The Aquatic Wonderland

Our outdoor aqua ponds are a beautiful and enchanting space housing a variety of exotic and fascinating fishes, snails and turtles. The ponds also feature numerous novel waterspouts. Children can enjoy this aquatic wonderland and also learn a lot about marine life.

Fur-ever Friends

At New Horizon Gurukul Pre School, our pets are more than just animals, they are cherished members of our school family. These "fur-ever friends" bring joy, comfort, and endless smiles to our classrooms. Each day, our students learn the values of kindness, empathy, and responsibility through their interactions with them.

INTERACTIVE VERTICAL LEARNING ENVIRONMENT

New Horizon Gurukul Pre School takes great pride in its thoughtfully designed vertical play areas, recognizing their significant role in early childhood development. These areas are a key part of the school's commitment to creating an engaging and dynamic learning environment. New Horizon Gurukul Pre School believes that vertical play not only promotes physical fitness but also encourages intellectual and emotional growth through active exploration and problem-solving.

We have carefully curated these spaces to ensure they are both safe and stimulating, offering our children opportunities to challenge themselves while having fun and ensuring that each child thrives in a nurturing, innovative atmosphere.

Creative Learning

We believe in creative and innovative learning through visual aids and creative activities like drama, art and craft, music, dance which builds confidence, helps express emotions, thoughts and ideas in verbal and non verbal ways and improves social skills.

Our Academic Program

At New Horizon Gurukul Pre School, we use a balanced combination of Play Way Method and the World Renowned Montessori Method. We provide a carefully planned learning environment that encourages the child to develop unique abilities and aids holistic development while making learning fun.

Value Education is an integral part of our curriculum. Teaching Values in kindergarten goes beyond academics. It fosters emotional intelligence, helps children understand and manage their emotions, develop healthy relationships, and make responsible decisions. Early lessons in values help our children grow into compassionate, responsible, and well-rounded individuals, laying the groundwork for a brighter future.

Day-Care

At **New Horizon Gurukul Pre School**, we understand that choosing the right day care for your child is a deeply personal decision. That's why we're committed to creating a home away from home where your little one feels loved, secure, and excited to explore each new day. Our day care program is designed to provide a safe, nurturing, and stimulating environment for your child.

With a range of activities tailored to suit the needs of young children, our day care facility supports early learning, creativity, and physical activity, all within a warm and welcoming atmosphere. Whether it's story time, arts and crafts, or outdoor play, we aim to make each day a delightful and enriching experience for your little one.

Our day care facility is more than just a place to spend the day - it's a nurturing environment where your child's happiness and well-being are our top priorities. The facility is available from Monday to Friday Including vacations (Closed on all weekends and public holidays.)

Timings: **1:15 PM to 6:30 PM and 9:30 AM to 6:30 PM** (during vacations).

Admission Process for Playgroup

Discover, Play, and Grow with Our Playgroup at New Horizon Gurukul Pre-School. The Playgroup at New Horizon Gurukul Pre-School is where your child's early learning journey begins in a joyful and engaging environment. Our experienced and caring teachers will guide your child through a variety of hands-on activities designed to stimulate their imagination, develop their motor skills, and build social connections with their peers. We understand that every child is unique, which is why our program is flexible and responsive to the individual needs and interests of each little one. Our goal is to make sure that every child in our Playgroup feels valued, understood, and excited to come to school every day. At New Horizon Gurukul Pre-School, we're not just preparing your child for the next step in their education—we're helping them develop the skills, friendships, and love of learning that will last a lifetime.

The Playgroup at New Horizon Gurukul Pre-School caters to children aged 2 years to 3 years. This age group is ideal for introducing young children to a structured environment where they can begin to develop social skills, engage in early learning activities, and gradually prepare for the more formal educational journey ahead.

Timings: MONDAY to FRIDAY 09:30 AM TO 12:00 PM.

About Us

New Horizon Gurukul, as the name suggests, blends the heritage of the ancient Gurukul tradition and modern methods to learning, eco-friendly in a unique system that has been made popular by the school. Learning takes place in an eco friendly environment reminiscing the Gurukula of a time goneby. This unique Gurukul concept is skillfully facilitated by the Guru (teacher) to empower the Shishya's (student) experiential learning. The objective of this approach is to develop the holistic personality of the student, making him/her a better, happier and healthier individual.

Curriculum

(Primary Classes I To IV)

New Horizon Gurukul resonates with the changing needs of the 21st century keeping in mind the unchanging core values of Indian society. We believe that the objective of primary education is not just to inform, but also to empower and transform. Every child is encouraged to explore their budding skills within an exhilarating atmosphere that ignites the curiosity to explore and create. Our Curriculum emphasizes on lateral thinking and development of inter-personal skills. Classes I to IV offer the children a myriad of activities.

Disciplines We Offer

English | Hindi/Kannada (Second Language) | Kannada/Hindi/French/Sanskrit (Third Language) | EVS (I to V) Science (VI to X) | Social Science | Mathematics | Computer Science | Physical Education | Value Plus from NIVE (An Initiative of ISKCON) | Music | Art | Dance | Yoga and Meditation | Library | Life skills

(Secondary Classes V-X)

New Horizon Gurukul is a front runner when it comes to quality education. Gurukul provides a versatile platform with a balanced amalgamation of academic and experiential learning modules of the CBSE curriculum. Emphasis is given on enhancing creativity and analytical abilities of students and energies of the children are diverted and encouraged towards positive activities where type of aptitude is given an enriching scope to develop.

Special care is taken to build Creative Power through Confidence to face the future.

Physical and Mental Fitness Training | Society Related Activity | Etiquette Grooming | Parental Involvement/Continuous Evaluation | Language Skills for Effective Communication | Quality Knowledge Management | Development of Inter-Personal Skills | Honing of Life Skills | Enhancement of Self-Help Resources for Effective Communication and Writing Skills.

(Senior Secondary Classes XI XII)

Senior Secondary (XI and XII) Science & Commerce streams with CBSE Curriculum at Gurukul is a step to shape young minds towards global citizenship. The school offers the following combination of subjects for classes 11th and 12th.

Science Stream

Compulsory Subjects - English Core | Physics | Chemistry

Electives - Mathematics | Biology | Computer Science | Physical Education | Psychology

Commerce Stream

Subjects - English Core | Accountancy | Business Studies | Economics | Mathematics

Informatics Practices | Physical Education | Psychology

Science Park

A newly inducted science park which showcases play equipments based on scientific principles is the latest addition to our infrastructure.

STEM and LEGO Lab

At New Horizon Gurukul School, our LEGO Lab and STEM program for Grades 3 to 5 foster innovation and Critical Thinking through hands-on, interactive experiences. We aim to inspire students' imagination, problem-solving skills, and teamwork, igniting a lifelong passion for discovery.

Hydroponics

Our innovative Hydroponics System educates students on sustainable agriculture and soilless farming, emphasizing food production, environmental sustainability, and resource conservation.

Organic Terrace Gardening

Students maintain an organic terrace garden, follow a structured watering regimen, enrich soil with compost, and harvest vegetables, fostering a connection with nature and promoting sustainable living practices.

Library

A library is the heart and soul of every institution. Gurukul has a spacious, well-furnished and well stacked library managed by qualified librarians. There are separate dedicated corner for Primary & Secondary students. A variety of books are available for all age groups.

Digitalized Classrooms

Integrating technology into the classroom is a great way to diversify learning styles for classes. Classrooms are characterised by highly interactive sessions. SMART classrooms are equipped with Intelligent Interactive Panels (IIPs) that enhance the learning experience for students. The IIP offers various features such as multi-touch, speech recognition and educational software, enabling interactive and engaging sessions.

Atal Tinkering Lab

The Atal Innovation Mission (AIM) is a flagship initiative set up by the NITI Aayog to promote innovation and entrepreneurship across the length and breadth of the country. ATL promotes creative, innovative mind set in students. These labs are dedicated innovation work spaces where do-it-yourself (DIY) kits on latest technologies like 3D Printers, Robotics, Internet of Things (IoT), miniaturized electronics are installed.

Indoor Badminton Courts

Three well equipped indoor badminton courts are available to students and they are coached under strict guidance of well qualified coaches. Many of our students have started to excel at District, State and National levels in the Badminton and other sports as well.

Volleyball and Throwball Court

The school has a Volleyball and a Throwball court with experienced coaches and many victories to our credit.

Basket Ball And Foot Ball Courts

The school has two basketball courts and a football court of International dimensions and synthetic turf. Our coaches are specialized to undertake coaching and our students have been excelling in the sport by winning accolades, not only in the city but even at the State level.
