Karnataka Rajyotsava

Karnataka Rajyotsava, in NHGPS is a delightful event that celebrates the state's formation and rich cultural heritage. It was celebrated on November 5th. Morning special Assembly started with hoisting of the state flag by our Principal Ms. Thushara Nair, students sang the state anthem, "Jaya Bharata Jananiya Tanujate." Students performed dances, songs, and speech reflecting Karnataka's rich cultural heritage. Students and staff came dressed in yellow and red, colours of Karnataka. Such celebrations not only honour the state but also help students understand and appreciate their heritage. The event concluded with a vote of thanks. The day was a memorable one, filled with joy, and learning the importance of preserving our cultural heritage and unity.

CCA Poem (UKG) Hindi/Kannada

The CCA Poem Recitation Competition for UKG was a delightful event filled with enthusiasm and creativity. Held on November 7th, the competition aimed to encourage young children to express themselves through poetry, enhancing their language skills and boosting their confidence. The participants showcased a wide range of Kannada and Hindi poems. Each participant brought their unique voice and perspective, enriching the event with a diverse array of poems that celebrated the beauty and power of language. Some children even added their own creative touches, such as hand gestures and props, making their performances even more engaging.

Field Trip – Enchanting Acres (UKG)

The UKG field trip to Enchanting Acres was a memorable and enriching experience for the children. It provided them with a unique opportunity to learn outside the classroom, fostering their curiosity and love for learning. The trip was a great success, thanks to the careful planning and support from the teachers, parents, and staff at Enchanting Acres.

Animal Feeding was the highlight of the trip. The children fed fish, goats, cows, ducks, and even got to pet a pony and enjoyed watching a camel. The children enjoyed a bumpy tractor ride around the farm. They giggled and laughed throughout the ride.

Children were thrilled to see a variety of vegetables growing in the garden. They learned about different types of vegetables such as carrots, tomatoes, chilli, and beans. Children also sowed a seed and bought it home, which helped them understand how to grow and care for a plant.

One of the most exciting parts of the trip was the pottery workshop. The children had the opportunity to try their hands at making simple clay pots. Under the guidance of skilled potters, they learned how to shape the clay and create their own unique piece.

A hands-on activity where children made a beautiful card with spray painting. After the tour, the children enjoyed a picnic lunch in the designated area. The field trip to Enchanting Acres was a fantastic learning experience for the UKG students. The trip helped them understand the importance of nature and sparked their interest in gardening and animal care.

Felid Trip – Picket Fence Farm (Nursery)

Our Nursery class had an exciting field trip to Picket fence Farm. The children were enthusiastic about exploring the farm and participating in various hands-on activities. The adventure began with a cheerful bus ride. The children sang songs and enjoyed the beautiful views on the way to Picked Farms. Upon arrival, we were warmly welcomed by the farm staff. The children had some snacks.

The kids had the opportunity to interact with farm animals. They fed chickens, goat, cow and camel, petted rabbits. The kids tried their hands at pottery making. Each child made a small pot or vase, which they took home as a souvenir

The field trip to Picket fence Farm was a fantastic learning experience for the nursery students. They had a great time participating in various activities and learning about farm life. The trip helped them understand the importance of nature. The children had a memorable day filled with fun and learning.

Festivals -UKG

NHGPS recently hosted a vibrant event where each class was decorated to represent different Indian festivals. This initiative aimed to celebrate the rich cultural diversity of India and educate students about various traditions and customs. This celebration was marked by colourful decorations, and lively performances that reflect the essence of different festivals from around the country. The aroma of traditional treats swirled through the air as teachers and students indulged in delectable snacks prepared for the occasion. The school echoed with laughter and gleeful chatter, creating a memorable atmosphere for everyone involved.

Classrooms were transformed into small-scale celebrations, each distinctively decorated to showcase different elements of various festivals. Teachers and UKG students, dressed in traditional attire, led the children through a variety of engaging and educational activities, promoting cultural awareness.

The event was a huge success, bringing the spirit of various Indian festivals to life. The students enjoyed learning about different cultural traditions and participating in the decoration process. This event not only fostered creativity but also promoted cultural awareness and appreciation among the students.

A heartfelt thank you to all the parents who contributed to making this event a memorable celebration of India's rich cultural heritage.

Universal Children's Day

Universal Children's Day was celebrated with great enthusiasm and joy. The day was dedicated to honouring the innocence, joy, and potential of children, emphasizing their rights and well-being.

Adding to the festive spirit, students dressed up as community helpers and cartoon characters. The colourful costumes brought a lively atmosphere to the event, with children portraying doctors, painters, army personal, police officers, and beloved cartoon characters like captain America, Spiderman, Elsa from Frozen. This activity not only added fun to the celebration but also helped students understand the roles of different community helpers in society.

Overall, the International Children's Day celebration at NHGPS was a wonderful reminder of the importance of nurturing and supporting our children, who are the future of our society.
