Opening Day for Play Group

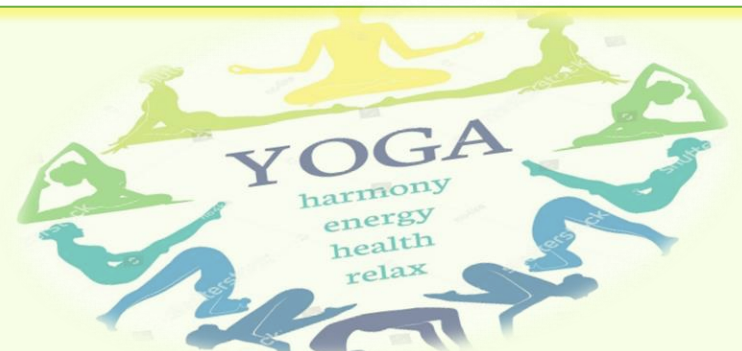

On **2nd June 2025**, our little learners joyfully entered a bright new chapter filled with play, discovery, and budding friendships. The atmosphere was alive with wonder as the first day of school unfolded in excitement, and endless curiosity. Our nurturing teachers created a cheerful, comforting space that helped every child feel right at home. From exploring toys and colourful corners to joining in happy rhymes and music, each activity brought laughter and delight. It was a heartwarming start to a year brimming with learning, love, and joyful memories. Here is to growing minds and joyful beginnings!

INTERNATIONAL YOGA DAY

At New Horizon Pre-School, we believe in nurturing healthy habits from a young age. On **Friday, 20th June 2025**, our young learners joyfully celebrated **International Yoga Day** with great enthusiasm. Under the guidance of Ms. Swathi, the children practiced simple yoga poses such as **Vr̥kṣāsana (Tree Pose)** and **Bālāsana (Child's Pose)**. The session was calm, engaging, and filled with positive energy. It was heart-warming to see our little yogis participate with focus and excitement. The session not only helped them feel relaxed and refreshed but also encouraged them to take their first steps toward a healthy and mindful lifestyle. We are proud of their sincere efforts and growing awareness of well-being through yoga.

WORLD ENVIRONMENT DAY

On **June 5th**, our preschoolers at New Horizon Gurukul joyfully took part in a hands-on celebration of **World Environment Day**. With tiny gardening tools in hand and big smiles on their faces, the children planted seeds under the gentle guidance of their teachers. This simple yet meaningful activity introduced them to the world of plants and helped them understand the vital role greenery plays in keeping our Earth healthy. It was a valuable moment of learning that sparked curiosity and nurtured a sense of environmental responsibility.

We couldn't be prouder of our budding little environmental champions. Their enthusiasm lit up the day and reminded us all of the power of small actions. May this be the beginning of a lifelong connection with nature and an enduring commitment to caring for our planet.

BANDHAN-Our Land Our Legacy

Bandhan 2025, was held on 28th June by New Horizon Gurukul Pre-School, was a heartwarming celebration of the deep bond between parents and children. Inspired by the theme “Our Land, Our Legacy,” the event brought families together to showcase their talents through dance, music, and drama, all while honouring India’s rich cultural heritage. The performances reflected the diversity and beauty of our traditions, with families collaborating to present regional art forms, folk tales, and customs that have been passed down through generations. More than just a talent show, the event emphasized the values of trust, togetherness, and mutual respect. It provided a meaningful platform for parents and children to connect, communicate, and create lasting memories. The audience responded with great enthusiasm, and the atmosphere was filled with joy, pride, and emotional moments. The event successfully strengthened family bonds, boosted student confidence, and fostered a strong sense of community within the school. It also helped instil a sense of patriotism in our young learners, encouraging them to take pride in their roots and cultural identity. The Bandhan Family Show served as a beautiful reminder that family is the foundation of love, learning, and legacy.
