

Summer Camp 2026 - Growing Skills, Building Confidence

New Horizon Gurukul Pre School successfully concluded its month-long Summer Camp 2026, held from March 30 to April 24. The camp witnessed enthusiastic participation from children aged 3 to 6 years and offered a variety of engaging activities aimed at holistic development.

The young participants enjoyed sessions such as Shake It Studio (Dance), Little Maestros (Music), Creative Chaos (Art & Craft), Kahaniyon Ka Pitara (Storytelling), Karate Kids Crew, Dribble Crew (Basketball), Little Strikers (Football), Lego Robotics, and Abacus.

The camp provided a perfect blend of learning, creativity, physical fitness, and fun. Children actively explored new skills, built confidence, enhanced teamwork, and developed their talents in a joyful and nurturing environment.

Parents appreciated the well-planned program and the opportunity it provided for their children to learn and socialize during the summer break.

The management of New Horizon Gurukul Pre School expressed gratitude to the parents, teachers, and students for making the Summer Camp 2026 a memorable and successful event.

Empowering Educators Through Continuous Learning

NHGPS successfully conducted its Faculty Development Programme (FDP) 2026–27 from 11th May to 22nd May 2026, with the objective of enhancing teaching skills and professional growth among educators.

The programme featured a wide range of enriching sessions, including Multi-grade Multi-level Teaching, Communication Skills, Literacy Development (Phonics), Storytelling and Rhyme Time, Behaviour Support Strategies, Teaching Learning Materials, Lesson Planning, and Cambridge Training. The FDP concluded on a positive note, equipping educators with fresh perspectives, enhanced skills, and renewed enthusiasm for the academic year ahead.

Seeking Wisdom, Strengthening Values: Teachers Visit ISKCON Temple

As part of the Faculty Development Programme 2026–27, the teachers of New Horizon Gurukul Pre School visited the ISKCON Temple for a day of spiritual learning, reflection, and cultural enrichment. Teachers participated in guided sessions, explored the temple premises, and engaged in meaningful discussions that emphasized mindfulness, discipline, and holistic well-being. The visit was both enlightening and rejuvenating, helping teachers strengthen their personal and professional growth while fostering a deeper appreciation for Indian culture.

Parent Orientation 2026 – Beginning the journey together

NHGPS successfully conducted a Parent Orientation Program to familiarize parents with the school's vision, curriculum, and learning approach. The session provided valuable insights into academic expectations, school policies, and student development initiatives. Parents actively participated in the interactive orientation, strengthening the partnership between home and school. The program emphasized the importance of collaborative efforts in nurturing confident and responsible learners. The orientation concluded with an engaging discussion and a warm welcome to the new academic journey.

Back to School, Back to Smiles!

Back to School, Back to Smiles! After a joyful summer vacation, New Horizon Gurukul Pre School welcomed its little learners back to school with great enthusiasm and excitement. The campus came alive with cheerful smiles, happy conversations, and eager faces as children reunited with their friends and teachers. Children were greeted with smiles, traditional aarti, and tilak, creating a festive and welcoming atmosphere.

Growing Happy Kids: Simple Steps for a Brighter Childhood

Children learn best when they are encouraged to play, explore, and imagine. A little boredom can spark creativity, while kind words help build confidence and self-esteem. Spending quality screen-free time with family strengthens relationships and creates lasting memories. Play supports learning and development, and a good night's sleep helps children stay healthy, focused, and happy. By nurturing these simple habits, we can help children grow into confident, creative, and successful individuals.

"Today's happy children are tomorrow's bright future."

LET THEM BE BORED!

A little boredom sparks creativity, independence and imagination. The best ideas often come from doing nothing!
